PROFESSIONAL SUMMARY

B.Tech Computer Science student with hands-on experience in Java, Spring Boot, React.js, JavaScript, MySQL, and MongoDB. Experienced in developing full-stack web applications and integrating REST APIs through academic and personal projects. Trained in Java Full Stack Development, Django, and Angular, with a strong interest in building scalable and user-focused software solutions.

TECHNICAL SKILLS

Languages: Java, JavaScript, Basic Python, SQL
Frontend: HTML, CSS, React.js, Angular, Bootstrap
Backend: Spring Boot, Node.js, Express.js, Django
Database: MySQL, MongoDB
APIs: REST APIs, Third-Party API Integration
Tools & Platforms: Linux (Kali Linux) – Intermediate, Git, GitHub, Postman
Cybersecurity: Basic Linux Administration, Command-Line Operations, File Permissions, Networking Fundamentals
Other: Full Stack Development, Basic Cyber Security, Data Analytics & Big Data
Core Concepts: OOP, Data Structures & Algorithms, DBMS

PROJECTS

AI Resume Builder | *React.js* | *AI* | *HTML* | *CSS*

- Developed a web-based AI Resume Builder using React.js with a responsive and user-friendly interface.
- Implemented dynamic resume creation with sections for personal information, education, experience, projects, skills, languages, and hobbies.
- Added multiple resume templates, customizable accent colors, and real-time preview for personalized resume creation.
- Integrated AI-assisted content generation to help users create professional and ATS-friendly resume content.

Real-Time Weather Application | *Node.js* | *Express.js* | *MongoDB* | *REST API*

- Developed a responsive weather application that fetches and displays real-time weather data using a third-party Weather API.
- Implemented city-based search providing temperature, humidity, wind speed, weather conditions, and forecast information.
- Integrated dynamic weather icons and UI updates based on real-time weather conditions.
- Developed REST API functionality using Node.js, Express.js, and MongoDB.

Medical Chatbot | *React.js* | *Tailwind CSS* | *Python* | *Flask/FastAPI* | *Machine Learning* | *MongoDB*

- Developed an AI-powered medical chatbot that allows users to describe health-related problems through text, voice input, and image uploads.
- Implemented image-based analysis using Python and Machine Learning to identify possible conditions or problems from user-provided images.
- Added voice input functionality that converts spoken descriptions into text for chatbot-based symptom analysis.
- Built a responsive chatbot interface using React.js and Tailwind CSS for an accessible and user-friendly experience.
- Developed backend REST APIs using Flask/FastAPI to connect the frontend, machine learning model, and MongoDB database.
- Integrated MongoDB to store user interactions, chatbot conversations, and application data.

INTERNSHIPS & TRAINING

Java Full Stack Development Training | BCT

- Trained in Core Java, OOP, exception handling, collections, JDBC, SQL/MySQL, HTML, CSS, JavaScript, REST-based development, debugging, and database connectivity.

Django with Python Training | Ardent

- Gained practical knowledge of Python and Django-based web application development.

Angular Frontend Development | Ejob India Institute

- Trained in Angular, JavaScript, HTML, CSS, Bootstrap, and Angular Router for responsive frontend development.

Advanced Cyber Security Internship

- Gained practical exposure to cybersecurity concepts and security practices.

Cyber Security Virtual Internship | Deloitte

- Gained exposure to incident response, cybersecurity frameworks, security best practices, and real-world security challenges.

EDUCATION

Bachelor of Computer Science and Engineering — Cyber Security | JIS University | Currently pursuing, 4th Year

Diploma in Cyber Forensics & Information Security | Behala Government Polytechnic | Completed

CERTIFICATIONS

AWS AI Practitioner_FSP — IT-ITeS Sector Skills Council (NASSCOM)
Category: Gold | Score: 97%
Additional Training: Python with Django | Data Analytics & Big Data

LANGUAGES

Bengali: Native **Hindi:** Speaking **English:** Speaking
